Welcome!

International Symposium on High Performance Liquid Phase Separations and Related Techniques (HPLC 2027) | Innsbruck Congress, Austria
June 20-24, 2027

Dear Exhibitors and Sponsors!

On behalf of the organizing committee, it is our great pleasure to invite you to participate as a sponsor and/or exhibitor at the **International Symposium on High Performance Liquid Phase Separations and Related Techniques (HPLC 2027)**, which will take place June 20-24 2027 at the Congress Center in Innsbruck, Austria.

HPLC 2027 is one of the world's leading conferences in the field of liquid phase separations, bringing together scientists, researchers, industry professionals, and technology providers from across the globe. The symposium offers a unique platform for presenting cutting-edge scientific developments, fostering collaboration, and showcasing the latest innovations in analytical science.

We warmly invite your organization to support this prestigious event. By becoming a sponsor or exhibitor, you will benefit from:

- High visibility among an international audience of experts and decision-makers
- Opportunities to present your products, technologies, and services
- Direct engagement with potential customers and partners
- Strengthening your brand presence within the scientific community

A range of sponsorship packages and exhibition options are available, designed to maximize your organization's exposure and impact during the event. Please see detailed information in this prospectus and we are looking forward to discuss opportunities tailored to your needs.

Innsbruck, located in the heart of the Austrian Alps, offers an inspiring setting for scientific exchange, combining excellent conference facilities with a vibrant cultural atmosphere.

We sincerely hope you will join us in making HPLC 2027 a great success and look forward to welcoming you in Innsbruck.

Please do not hesitate to contact us for further information or to express your interest.

HPLC 2027

Key points/ Main Topics

- Fundamentals of separation science
- Separation materials and column technologies
- Method development and sample preparation
- Instrumental aspects of separations including instrument hardware and detection devices
- Miniaturization, chip-based separation devices
- Separation modes, chiral separation, bioseparations
- Electromigration methods
- Mass spectrometry detection
- Hyphenated and multidimensional techniques
- Data handling & computational tools
- Use of artificial intelligence in method development, workflow design and data management
- Industrial analysis including lab automation, QA, QBD
- Food- & (bio-)pharmaceutical analysis
- Clinical & (bio)medical analysis
- Proteomics, metabolomics, lipidomics
- Material- & environmental analysis, sustainability

Congress City

Innsbruck is an ideal destination for combining international scientific meetings with a rewarding travel experience. Located in the Alps, it offers a practical setting for conferences, with reliable infrastructure, modern venues, and good transport connections that make it accessible for participants from across Europe and the whole world. The city's manageable size also encourages informal interactions, which can be valuable for collaboration outside scheduled sessions.

At the same time, Innsbruck has a clear historical and cultural identity. Its medieval Old Town, including landmarks such as the Golden Roof, reflects its role in European history and provides a distinctive atmosphere for visitors. Museums, local traditions, and regional cuisine add further cultural context without overwhelming a short stay.

Innsbruck is also known for its proximity to nature. Within minutes, visitors can reach mountain areas offering opportunities for walking, skiing, or simply enjoying alpine views. A notable attraction is the Alpenzoo Innsbruck, which showcases alpine wildlife in a natural hillside setting and provides an accessible way to learn about the region's biodiversity.

Overall, Innsbruck offers a balanced combination of functionality and character, providing the essentials for productive scientific exchange alongside opportunities to experience history, culture, and the surrounding landscape.

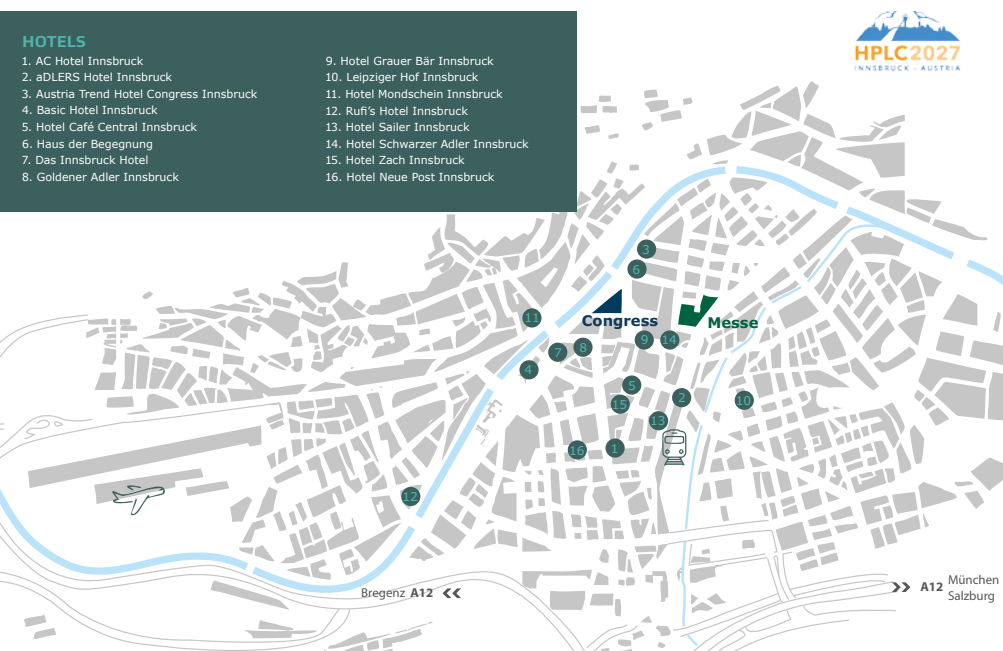

Symposium Venue

The Congress Center Innsbruck, located in the center of the city, offers an ideal setting for bringing together academic researchers in separation science, industrial practitioners of liquid-phase separations, and commercial providers of advanced instrumental technologies. Its central location and modern, flexible facilities support both structured presentations and informal exchange, fostering collaboration across disciplines.

The spacious Saal Tirol is particularly well suited for plenary sessions, providing a professional environment where participants can learn about the latest developments and the current state of the art in separation science.

For industry engagement, the Dogana Hall serves as an effective venue for exhibitions and an industrial fair, allowing companies to showcase innovations and interact directly with researchers and end users. In addition, the congress center offers ample space for poster sessions and informal discussions, creating valuable opportunities for networking, in-depth scientific exchange, and the sharing of new ideas.

Overall, the Congress Innsbruck combines practicality with a welcoming atmosphere, making it a strong choice for events that aim to connect academia, industry, and technology development while keeping participants engaged with the latest advances in separation science.

Sponsorship Packages Overview

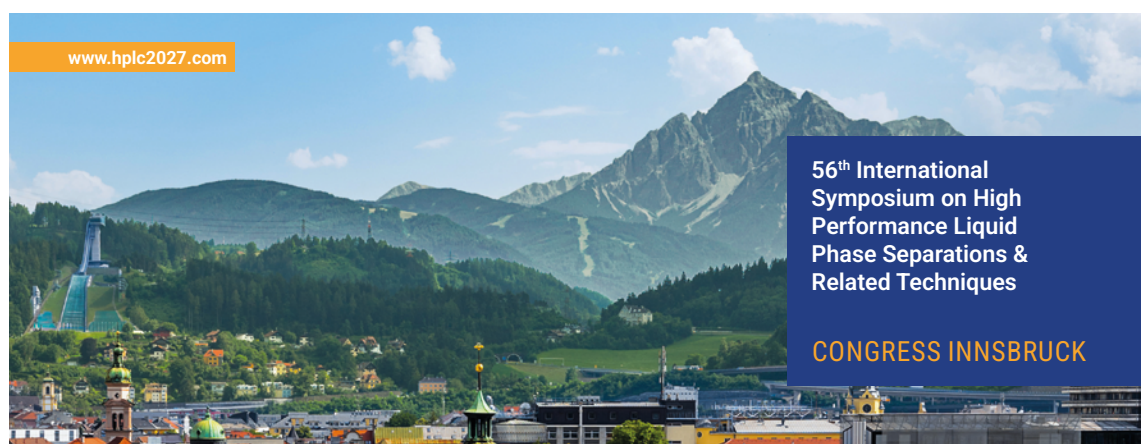

Item	PLATINUM	GOLD	SILVER	BRONZE
Booth space	49 sqm	36 sqm	20 sqm	16 sqm
Lunchtime vendor seminar	1 (60mins)	1 (60mins)	–	–
Complimentary registrations	8	6	4	2
Congress dinner	8	4	2	–
Programme advertisement	2	1	1/2	–
General benefits	Yes	Yes	Yes	Yes

General Sponsor benefits

Please note that booth selection/allocation will follow the level of sponsorship booked.

Furthermore all sponsors will obtain the following promotion and will be mentioned:

- Company logo in all printed materials under the sponsorship category
- Logo on the official event website (including link to the company/ product website)
- Right to use the symposium logo for own advertising purposes by appointment
- Acknowledgement during Opening and Closing Ceremonies

Sponsorship Packages

Platinum Sponsorship

EUR 40.000,00 includes:

- 49m² exhibition floor space
- 8 full conference registrations for your personnel
- 8 invitations to the gala dinner
- Full page advertisement (2) in the final programme
- Vendor Seminar (60mins) lunch time by appointment

Acknowledgement as „Platinum Sponsor“ and logo placement:

- Final Programme
- Symposium website (with link to company website)
- Projection slide in Plenary Hall (during breaks)

Gold Sponsorship

EUR 30.000,00 includes:

- 36m² exhibition floor space
- 6 full conference registrations for your personnel
- 4 invitations to the gala dinner
- Full page advertisement in the final programme
- Vendor Seminar (60mins) lunch time by appointment

Acknowledgement as „Gold Sponsor“ and logo placement:

- Final Programme
- Symposium website (with link to company website)
- Projection slide in Plenary Hall (during breaks)

Silver Sponsorship

EUR 20.000,00 includes:

- 20m² exhibition floor space
- 4 full conference registrations for your personnel
- 2 invitations to the gala dinner
- Half page advertisement in the final programme

Acknowledgement as „Silver Sponsor“ and logo placement:

- Final Programme
- Symposium website (with link to company website)
- Projection slide in Plenary Hall (during breaks)

Bronze Sponsorship

EUR 10.000,00 includes:

- 16m² exhibition floor space
- 2 full conference registrations for your personnel

Acknowledgement as „Bronze Sponsor“ and logo placement:

- Final Programme
- Symposium website (with link to company website)
- Projection slide in Plenary Hall (during breaks)

Exhibition & Sponsorship Options

The exhibition will form an integral part of the conference and will provide a unique opportunity for contacts between conference participants and exhibitors. If you decide not to opt for one of the other sponsor packages, and would like to order exhibition floor space only, please see the following options:

Floor (raw) space only, per m² EUR 500,00

Shell scheme booths, includes

- Back and side walls (250cm high)
- Panel
- Printed company name on panel
- Grey carpet
- Table(s) and chair(s)
- Power supply 230V

Shell scheme booth 12m² (4x3m) EUR 7.500,00

Shell scheme booth 9m² (3x3m) EUR 5.900,00

Shell scheme booth 6m² (3x2m) EUR 4.000,00

Acknowledgement as “exhibitor”:

- Final Programme
- Symposium website (with link to company website)
- Projection slide in Plenary Hall (during breaks)

Every exhibitor is entitled to two (2) free exhibitor registrations, which allow access to the exhibition area, coffee and lunch breaks as well as access to the scientific sessions.

Sponsorship Options

Vendor seminar

Vendor seminar slots will be available within the symposium schedule by appointment with the organizers. After approval by the organisers, title, speakers and content of the symposium (incl. company name) will be listed in the final programme of the symposium and include:

- room rental – acknowledgement in the final programme
- data projector – sound system and standard microphones
- room set-up (seating)

Vendor Seminar 60mins EUR 7.000,00

Vendor Seminar 30mins EUR 4.000,00

Conference Lanyards

Conference lanyards hold the participants' badges and will be distributed to all participants. They will be required to be worn throughout the conference. The sponsor's logo will be printed on the lanyards together with the conference logo. Sponsorship of the lanyards is an exclusive sponsorship. Company logo on conference lanyards

EUR 5.000,00

Conference App

- Splash screen (advertising page at the opening of the app)
- Banner on the bottom of each page with link to the company website
- 2 push notifications during the congress (info to all the participants who downloaded the app)

Conference app EUR 10.000,00

Coffee breaks

Each morning and afternoon a coffee break will be offered to the symposium delegates. During this time participants may relax and visit the exhibition area. Coffee will be served in the exhibition area. The sponsor will be acknowledged in the final programme and by on-site signage (table signs with logo on the catering tables).

Coffee break EUR 2.000,00

Advertisements Final programme

The (final) programme (format A5) will be sent out to potential delegates as a pdf file and will be distributed on site.

Full page Programme, A5, 4c EUR 1.000,00

Half page Programme, A5, 4c EUR 750,00
